**Parents Read!**

Your child has expressed interest in taking my class, Eagle Vision, next year. Before the decision is made on who will actually take this course, I want you to know the nature of this class. It is a performance-based class and requires your child to be actively involved in the process of producing each and every broadcast of Eagle Vision. This class will also require your child to film after school events and activities from time to time without my supervision. I will train them to perform these tasks and of course normal school administration would be on site during these activities. (ball games, theatre performances, etc.)

Sincerely,  
Marc Lewis

**Don't forget to submit the video interview!**

# Eagle Vision Video Tryout Instructions

You have shown interest in the Eagle Vision broadcast department at Horn Lake High School. Please follow these instructions to complete the application process. The interview will be a video tryout that you send to us following these specific instructions.

## VIDEO TO DO LIST...

#1 State Your Name Clearly... First and Last

#2 Tell me why you are interested in being on the cast?

#3 What are your strengths? What could you bring to the program?

#4 What's something you enjoy doing...

#5 MEMORIZE and recite the news bit at the bottom following your answers to the questions. (take your time, study and do this well!)

(re-state each question) **example:** *Hi! My name is John Doe... I'd like to be a part of eagle vision because... I'm especially good at working with computers and I could help ETVV by building an APP. When I'm not at school I enjoy eating ice cream and playing Xbox... (then recite the news piece)*

## MEMORIZE AND RECITE!

### “NEWS PIECE”

Welcome to Eagle Vision for Tuesday, February 6, 2018. I'm \_\_\_\_\_ and today's top story heads to Washington where the FAA is making some big changes.

Describing it as an "urgent safety issue," the Federal Aviation Administration has ordered modifications on specific General Electric engines on some 787 Dreamliners because an icing problem could force those engines to shut down in flight.

(TIP! Make sure to recite the question “answers” and “news piece” with lot's of enthusiasm. The judges are looking for excited acting cast members on camera)

**FINISHED?** Now email your video clip to [HornLakeTV@gmail.com](mailto:HornLakeTV@gmail.com) and make sure to put “TRYOUT VIDEO” in the subject bar. Visit Mr. Lewis with any questions or concerns, filming with your cell phone is fine, if you are unable to make the video for some reason drop by and let Mr. Lewis know!
